

YESTER ESTATE

Yester Estate Preferred Suppliers

We operate a preferred suppliers list to give you a choice of suppliers who all know our estate well, our terms and conditions and whom we trust will deliver the very best of their service. You would liaise with them directly. Once you have booked their services just keep us updated.

Marquee hire

They range from canvas, formal marquee to sail style. They can take care of all the lighting, flooring, furniture, elements of decor if wished right down to the essentials like bathroom facilities and catering tents.

Behind the scenes they update us directly about the set up and take down, so you don't need to work about that.

Fireworks

We love the added drama that fireworks can add to a wedding. We are very lucky to have one of Scotland's leading companies in Edinburgh. Only low noise fireworks are permitted.
